نمط التعليم: حضوري وعن بعد.

أهداف التعليم:

Only the central theme of the course is suggested, the teacher is free to choose the content of the texts to be given to students. Texts should be between 200 and 400 words long. Hence, each unit needs to be dealt with over 2 sessions with 45 minutes devoted to content and 45 minutes to language and grammar structures. It is worth noting that teachers should choose content that adds real value for the students so that they connect previously acquired concepts in Arabic. Most of the selected unit topics have been taken from the bibliography shared at the end of the document.

The course is designed for students of the Faculty of Economics, Commerce and Management Sciences. This course is an introductory course that aims to acquaint students with the business world and vocabulary. During the course, students will be taught the correct vocabulary and grammar structures for specific tasks. The course contains activities that simulate real life situations that students will be facing in the future. The course intends to develop students' confidence and fluency in using English in specific contexts. The course is made up of 1 semester with 12 seminars, each seminaries 1h30.
