برنامج المادة

- **Advanced English Language Skills:** This goes beyond general fluency to focus on the nuances of diplomatic communication. Students study advanced grammar, syntax, and vocabulary tailored for formal and professional settings. Courses often include public speaking, negotiation, and formal writing (e.g., writing diplomatic cables, policy briefs, and official correspondence).
- **International Relations and Political Science:** Students gain a theoretical and practical understanding of global affairs. Topics include the history of diplomacy, international political economy, international organizations, foreign policy analysis, and conflict resolution.
- **Public International Law:** This component provides a foundation in the legal framework that governs relations between states. Key subjects include diplomatic and consular law, human rights law, and international security law.
- **Cross-Cultural Communication:** A critical part of diplomacy is understanding and navigating cultural differences. Courses in this area focus on intercultural communication theory, non-verbal cues, and the social and cultural aspects of negotiation.
- **Specialized and Practical Skills:** This is where students develop the "tradecraft" of diplomacy. Practical courses and workshops cover topics like protocol, media relations, public diplomacy, and strategic communication. Many programs also require internships to provide real-world experience.

- **Diplomacy-Specific Language Courses:**
    - English for International Negotiations
    - Public Speaking and Diplomatic Rhetoric
    - Diplomatic Correspondence and Reporting

- **International Relations and Politics:**
  - Introduction to International Relations
  - Global Governance and International Organizations
  - Comparative Foreign Policy
  - Geopolitics and International Security
- **Law and Ethics:**
  - Public International Law
  - Human Rights and Diplomacy
  - International Ethics and Global Justice
- **Electives and Practical Application:**
  - Model United Nations
  - Crisis Management Simulation
  - Regional Studies (e.g., "The Middle East in World Politics," "The European Union as an International Actor")
